Main task	Sub task	2016	2017								
		December	January	February	March	April	May	June	July	August
Design Operational space controller	Implement OSC	██								
	Null-space controller		██							
	Real-time DMP generation			██						
Detect failure scenarios	Clothing article gets stuck				██					
	Robot-mannequin collision					██				
Real-time adaptation	Tracking of mannequin						██	██		
Thesis writing									██	██
